

# SPRINT 2

Jordy Walraven

- ▶ Setup walking skeleton
- ▶ Create C4 diagram (Level 1 and 2)
- ▶ As a software architect, I want to determine the most suitable architectural styles for my system's requirements so that I can design an effective and scalable solution.
- ▶ As a PC-gamer I want to create an account, so that I can add and view account specific data
- ▶ As a developer, I need to understand how various services or components within the system communicate with each other, so that I can ensure seamless interaction and integration between different parts of the system.
- ▶ Setup CI/CD

## SPRINT GOALS

# SPRINT ACHIEVEMENTS

- ▶ Analysis Document
- ▶ Research Report
- ▶ Technical documentation
